ABOUT THE AHR EXPO:

The International Air-Conditioning, Heating, Refrigerating Exposition (AHR Expo), which began more than 85 years ago as a heating and ventilation show, has now grown into the world's largest event exclusively for the HVACR industry. The Exposition is held annually rotating between key markets and major cities across the U.S., hosting more than 2,000 exhibitors and attracting crowds of 65,000 industry professionals. The Show provides a unique forum that enables the HVACR community to come together and share new products, technologies, and ideas. The event is co-sponsored by ASHRAE and AHRI, and is held concurrently with ASHRAE's Winter Conference.
